

Primary education only takes 8 years, but lasts a lifetime

Developing the building blocks for life-long learning is complex. At Hazlemere we know that knowledge and skills are only improved and made permanent on purpose.

Ethos

The Bible tells us that through his youth Jesus, “grew in wisdom and stature and in favour with God and men” (Luke 2 v 52).

This is something that we want for every one of our children and for the school as a whole.

We know that clear communication between home and school is essential in providing children with the best start to their educational journey and to ensure dreams and aspirations are fulfilled.

HAZLEMERE CHURCH OF ENGLAND COMBINED SCHOOL

We pride ourselves on putting the child at the centre of our educational vision with a clear shared ethos, supporting children to be successful. We are forward thinking, creating and developing our book based curriculum and environment to provide our pupils with experiences which capture their curiosity and enthusiasm for learning.

To find out more about how we could help your child achieve the best start to their education, please contact the school office for details.

Pupils are taught in a bright, stimulating environment that is language rich. Learning activities take place in and out of the classroom. Staff ensure that learning activities come from children as well as being adult-led. This helps staff to develop curious learners, stemming from children's natural inquisitiveness that can develop their critical thinking skills:

Our Values

- **Courage**
- **Kindness**
- **Forgiveness**
- **Generosity**
- **Responsibility**
- **Respect**
- **Perseverance**
- **Honesty**

Admissions

Contact the school office either by email or calling for more information about admissions to Nursery, Reception or in year transfers

Parent Quotes

'My child loves coming to school every day'

'My son has enjoyed every day- thank you'

'Thank you for being so supportive'

What is Inclusion?

"Fair is not everyone getting the same, Fair is everyone getting what they need to be successful"
