Message from the Headteacher

It has been a wonderful start to the academic year, and I have been delighted to see the children working hard, settling into their classes and demonstrating our school values.

It was lovely to welcome so many of you to our parent consultations this week. I hope you found these meetings valuable and enjoyed hearing about your child's progress and achievements.

Welcome also to the first edition of our newly designed newsletter! Going forward, this will be published **weekly/fortnightly**, depending on how much information we have to share, which will of course reduce the number of emails from the school. It will focus on key information, important updates and upcoming events. **Feedback on the new format welcome. We want to reduce the number of mails you get and centralise information as much as possible.** I wish all our families a restful and enjoyable break and look forward to welcoming everyone back in November.

School Updates

Could you be our next Parent Governor?

We are looking for a parent to join our Governing Board and help shape the future of Hazlemere C of E School. This is a fantastic opportunity to make a positive contribution to our school community, and no previous experience is necessary.

Please see the attached letter from our Chair of Governors, Drew Wotherspoon, which explains the role and how to express your interest. We would love to hear from you!

Exciting Residential Trips Ahead!

We are delighted to confirm that our residential trips will be taking place again this academic year, with further information being shared with parents this week.

Years 3 & 4: Following the success of our first Year 3 and 4 residential in 2024, we are excited to offer this experience again. **Held every other year** to ensure children enjoy it only once, the residential will involve **camping on the school field**. This year, we are extending the experience to two full days of exciting activities! Details to follow over the coming weeks.
