

# The Hazlemere Herald June 2025

Summer weather is here and lots of amazing things have happened in the month of June, Sports Day to our first Hazlemere's Got Talent show.

The school was also inspected by SIAMS last week and while we cannot yet share the outcome of the inspection, I personally must thank all who were involved in the inspection; Staff, Children, Parents who met the Inspector, staff from Hoy Trinity Church and the school Governors. I look forward to sharing the report with all once it has been published.

Only 3 full weeks remain here for this academic year and next week on Tuesday 1st July it is Transition Day. Details of staffing can be found below in this month's Hazlemere Herald.

Temperatures are looking to soar again next week, children are welcome to wear PE kit all week to help keep cool.

## Hazlemere's Got Talent

What an incredible evening we had at Hazlemere's Got Talent 2025! 12 acts gave it their all at Holy Trinity Church, with acts ranging from Singing to Magic and Dancing to Ice Skating.

We are so proud of the children who found the courage to get up on stage and perform. At the end of the evening, the votes were counted and the top 3 acts announced; they were as follows:

**1st place:** Nathaniel, Tobias and George performing the theme from James Bond on Brass and Drums

**2nd place:** Elsie performing a dance she choreographed herself

**3rd place:** Elaina who showed us her flair for Ice-skating

## Summer Fayre

A huge thank you to the Friends of Hazlemere for their hard work arranging tomorrow's Summer Fayre which will take place from 12pm to 2.30pm.

LO: I can present my opinion on a topic.

In my opinion, I think that the Mayan people should get chocolate from the gods because they work really hard successfully growing ~~there~~ their tasty crops. Just think they spend all their free time building chicken I-tza for the gods.

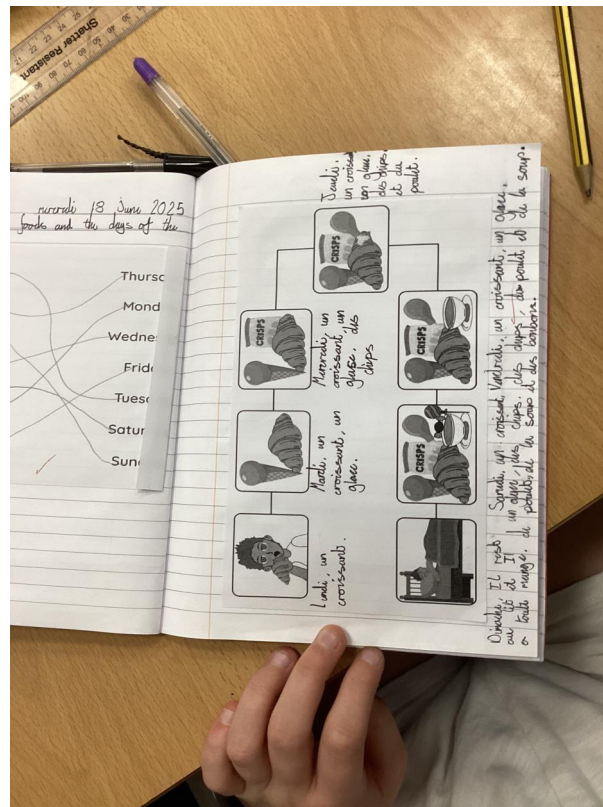

Do you not think that it will be nice for the Maya to have some sumptuous chocolate? Since chocolate is extremely tasty it will probably make them very happy joyful.

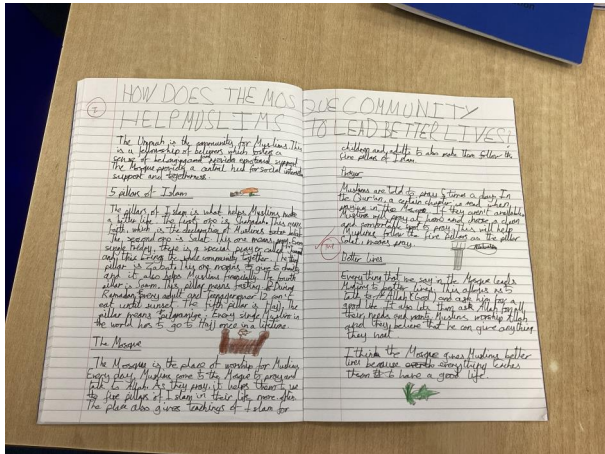

The Mayan people have never had chocolate before. So don't you think that it would be really special to them if they had some tasty, mouth-watering chocolate?

# Year 5

Hand signs would point either in a matter of seconds or they could be very complicated and what is located at the top of the world. This concept is called The Super of Polar Bear A Polar Bear can swim in human urine and even in muddy water.

Are you interested to learn about the most beautiful dangerous bear in the world?

You might think of polar bears as adorably and innocent with their white fur on the snow. Happy on.

Surprisingly Polar bears have a thick white fur that appears white but is actually translucent. Polar bears also have long feet and each with non-pronounced toes to see better.

**Perfect swimmers**  
A Polar Bear must use very large forward swim to help spread the Polar Bear's weight over the ice. Their large paws use water slightly under which makes them professional swimmers.

Their paws also have little bumps under their feet to make them slip on ice.

**Beautiful body**  
A Polar Bear's body has a thick layer of fat under its skin. This insulates the bear from cold. These bears swim in the coldest water in the world.

A white bear with no hair.  
While others associate the powerful Polar bear with challenges other way after trained in the world to survive in the freezing land.

Surprisingly the Polar bear has evolved to survive the coldest temperatures in the world. They are found in the Arctic region. They are not afraid of the cold as they have a thick coat of fur. They are also very good at swimming and can swim for long periods of time. They are also very good at climbing and can climb trees and rocks.

**Unbelievable fact**  
Surprisingly Polar bears are super-swimmers which means they can swim for long periods of time. They are also very good at swimming and can swim for long periods of time. They are also very good at climbing and can climb trees and rocks.

Year 6

## Transition Day & Staffing News

Transition Day is Tuesday 1st July and we are looking forward to meeting our new Reception children as well as hearing how our Year 6s got on at Secondary School. For everyone else, Transition will take place during the morning and children will spend the time getting to know their new teachers and completing some fun activities.

We are delighted to welcome Miss Alison Lee to the team. Miss Lee has been at Stoke Poges school for the last 9 years and brings a great mix of experience and enthusiasm to the team. At the same time, we are also sad that Miss Hussain will be leaving us at the end of the Summer Term. Miss Hussain is such a valued member of the team and her work ethic and drive will be really missed.

### **Staffing next year will be as follows:**

**EYFS** - Mrs Howard, Mrs Flint, Mrs Richards, Mrs Webb

**Year 1** - Miss Lane, Mrs Kogut

**Year 2** - Miss Lee, Miss Button, Mrs Smith

**Year 3** - Miss Tierney, Mrs Farmer

**Year 4** - Mrs Woodstock, Mrs Hibbert

**Year 5** - Mrs Hipgrave, Mrs Lyle, Miss Kehoe

Year 6 - Mrs Opiola & Mrs Asare-Archer, Mrs Dymott.

## Brand new after school club- Mad Science!

Our recent survey told us that there was a lot of participation interest for Mad Science after school club..... We are very pleased to say that Mad Science will be joining our club list starting in September, on Tuesdays! If your child is interested in signing up for the club, please do so ASAP to avoid disappointment; [www.madsciencesw.schoolipal.co.uk](http://www.madsciencesw.schoolipal.co.uk)

Please see below for booking information.

## The Club

Mad Science Afterschool Clubs provide the perfect mix of fun, interactive, educational content. Taking aspects of physics, chemistry and some biology to engage and excite all children enrolled. Our hands-on, enquiry based sessions encourage independent learning skills and discovery at their pace. They'll be immersed in a fully unique and different topic each week during the course, so there's plenty to explore as they get to grips with key science concepts and fun STEM based explorations.

*They'll have so much fun, they forget they're learning*
