

# The Hazlemere Herald September 2025

Welcome back to a brand-new school year! Even though the weather has been damp, it certainly hasn't dampened our spirits. The energy and excitement around the school has meant we have made an incredible start to the year.

We are especially delighted to start the year with some wonderful improvements to our school. Our brand-new roof ensures that everyone can stay warm and dry, no matter what the skies decide to do. Outside, the new playground equipment has quickly become a favourite with the children, sparking joy, laughter, and plenty of adventurous play.

As we look ahead, we're filled with enthusiasm for the opportunities this year will bring. From learning in the classroom to exploring outdoors, we know it will be a year of growth, discovery, and achievement for every pupil.

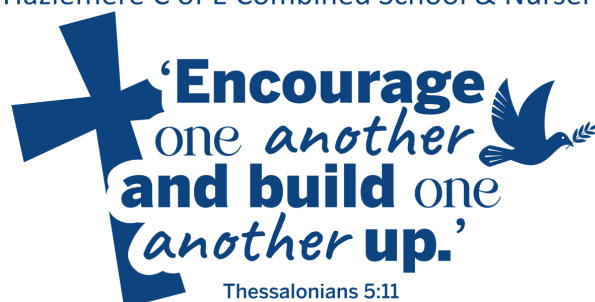

Here's to a fantastic start and another exciting journey ahead together!

## **School Improvements**

With huge support from the **Friends of Hazlemere**, we now have a fantastic new play area! The cost of this (£30,000) was mostly funded by the Friends along with the contributions coming from Parent's monthly donations.

We also replaced our pitched roof with 90% of the total costs (circa £120,000) being covered by the Oxford Diocese. We are very grateful.

**None of this could happen without your support!**

**There are still lots of improvements we need to make.**

**Please if you can donate £10 per month to our school fund, which can also be Gift Aided. We have many more plans for the school and without your support we cannot turn them into reality.**

## Changes to Wraparound Provider April 2026

As detailed in a letter sent out earlier today; we are moving to a new Breakfast and Afterschool Club provider from the beginning of Summer Term 2026.

The increasing demand for wraparound care for children aged 3 and upwards has influenced our decision to move from Quackers to Friends at Play from April 2026. As we want to attract as many families as possible to our wonderful school, it is the logical decision to make in order to ensure our school continues to thrive.

If you have not yet seen the letter, please check your inbox.

## Stakeholder Surveys 2025

Thank you to everyone who took the time to complete our parent surveys this year, if you haven't seen the results which are on our website, they can be viewed at the link below. We have already taken actions based on the feedback and look forward to continue working in collaboration with all of our stakeholders.

Jack

On the 17<sup>th</sup> of September I went to my grandpa's house. He gave me some freshly baked cakes to take to Grandma and Grandpa. I took the cakes and a tin of jam and set off to Grandma's house. I took the cakes through the woods as it was the quickest route across the river. I turned to get something to eat as Grandma could never see the cakes while they were still hot. They would melt for the same reason.

A beautiful spring day. The sun was shining brightly and the birds were singing and chirping. I was very happy. I had big eyes and sharp teeth. He was wearing a green shirt and blue trousers. He had a big smile and was very friendly. He explained that the delivery cakes to my grandpa, appear the mill in the next village. When that the wolf quickly ran away but I knew for my own. Why was he suddenly in such a hurry? I thought about it. The man from under a large red tree. He had a big smile and was very friendly. He took about me when I was young and I thought that I was delivery cakes to my grandpa, appear the mill in the next village. I never heard about his face yet he told me to take my time and enjoy my work. Although he appeared friendly, I wasn't so sure.

After walking a long distance I was exhausted. He was wearing brown and a checked shirt, and he was busy chopping wood. He asked me a good morning, then he asked what I was doing in the woods alone. I explained that I was delivery cakes to my grandpa, applying the milk in the next village. He told me to hurry along and not to argue like my business. I was very tired and he told me to take it easy.

As I arrived at my grandpa's cottage I had a bad morning. I don't know such a bad mood could come from such a small, old man. I thought I was supposed to make Grandma. When I walked into Grandma's kitchen, I was surprised to my surprise. A woman in the bed, it was the wolf!

It was just an ordinary day. I was wandering through the woods when suddenly, I tripped over something on the ground and found myself falling down, down, down. With a loud bump, I landed on the hard floor.

Task - underline the conjunctions in these sentences:

Famous Elizabethan Pirates

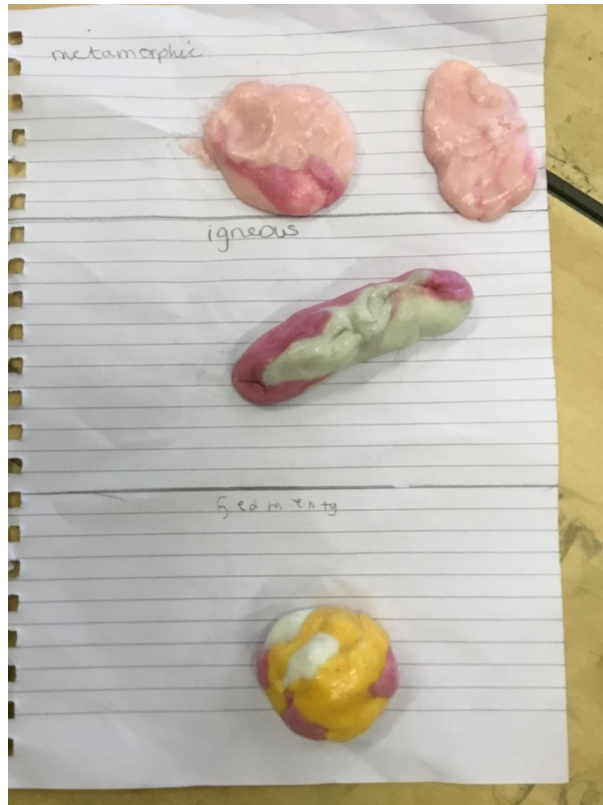

- A number of privateers became famous when Queen Elizabeth I reigned.
- The knight Sir Walter Raleigh because he locked him up in the Tower of London.
- The man Sir Francis Drake and returned from sailing round the world.
- John Hawkins was given a knightship for his part in defeating the Spanish Armada.
- But all three men would sail and plunder ships because the opportunity arose.
- Queen Elizabeth allowed them to sail because she wanted to make England rich.
- England became a rich and powerful country and Elizabeth was on the throne.

It is really dark in the forest. The ground is covered in fallen leaves and twigs. The trees are tall and thin, with sparse foliage. The air is thick and humid. I can hear the sound of water dripping from the leaves. It's a little scary, but also beautiful.

## Safeguarding Information - Protecting children from Domestic Abuse

Signs of depression or anxiety in children can sometimes look like normal behaviour, particularly in teenagers who might keep their feelings to themselves. So, knowing how to talk to your child about their mental health is important.

Many children or young people will feel stressed or anxious about things like exams or moving to a new school. But while these experiences can be challenging, they're different from longer-term depression or anxiety, which affect how a child or young person feels every day.

It can help to think about what's normal for your child and if you've noticed signs that they've been behaving differently. Domestic abuse is any type of controlling, coercive, threatening behaviour, violence or abuse between people who are, or who have been in a relationship, regardless of gender or sexuality. It can also happen between adults who are related to one another.

**NEWS FROM THE FRIENDS**  
NEWSLETTER SEPTEMBER 2025  
The Friends  
Hazlemere C of E School

**WELCOME BACK!**

Welcome back to a new school year and a big welcome to all the new families who have joined our school. It's lovely to see so many new faces.

As some of you already know, the current Friends committee will be standing down at the AGM on Tuesday 23rd September. This will be followed by the OGM, which will be led by the new committee. Full details about this are in this newsletter. Everyone is welcome to come along.

Last term, we raised a wonderful £6,899.00 and this money was used to help fund the new play equipment. Funding this equipment was the last decision of this Friends Committee and we are so pleased that it has been installed before we stand down. We hope the children love this new addition to their playground.

In this newsletter, we have included information about how much we raised during the three years we have been running the Friends committee and the items we have been lucky enough to provide the school with during this time.

We can't thank you all enough for the support you have shown us and we wish the new committee the best of luck, as well as our continued support, as they take over.

**Katie and Becky - Co-Chairs, Karen - Secretary, Hannah - Treasurer**  
Thank you to Hannah and Marney who also worked with us as Secretary and Treasurer.

**Friends AGM and OGM**

Tuesday 23rd September 7.45pm, School Hall

Please do join us on Tuesday 23rd September, when we will be holding our AGM, immediately followed by our OGM.

At the AGM, we will review how much the Friends raised for the school last year. At this meeting, we will say a fond farewell to the current, Co-Chairs, Secretary and Treasurer. Nominations for new committee members will be heard and a new committee will be voted in, to take over the running of The Friends.

The OGM will then take place to discuss new ways to fundraise for the school and any upcoming events.

As usual, everyone is welcome. It would be wonderful to see some new faces and hear some fresh ideas.
