

Our Safeguarding Policy for Children

Written for the pupils of Hazlemere C of E Combined School & Nursery

What is Safeguarding?

Safeguarding is what the staff at our school do to make sure all our pupils are safe and happy. Remember, we are a Rights Respecting School and it is our responsibility to make sure that every child has their rights respected.

**But we need your help...
Don't forget to talk to us!**

This policy is to help you decide what could be a problem and who to speak with to get help. This could be anything from getting help if you are hurt or talking through problems that are upsetting you.

We are all here at the school to help you. It is important that you know where to get help if you are worried or upset.

You can talk to any adult in the school but some staff are responsible for making sure you are safe and well cared for.

Safeguarding means we will::

We will::

- Protect you from harm
- Make sure nothing stops you from being happy
- Make sure you are looked after safely
- Make sure you have the best chances in life
